You represent that you are not engaged in retail or trade of products.**

All sales of products from the Online Store will be governed exclusively by these T&Cs.

By placing an order on the Online Store, you also agree that your use of the Online Store is subject to the [Terms of Use](#), [Privacy Policy](#) and other legal terms posted on the Online Store.

We reserve the right to modify these T&Cs at any time. The T&Cs in force at the date of your purchase apply to such purchase.

We suggest you retain these T&Cs on a durable medium, by physically printing them or by saving them electronically.

1. ORDER PROCESS

To place an order on the Online Store, you must be more than 18 years old or possess legal guardian consent. Also, you should have legal capacity to contract and place an order on the Online Store.

You can order by logging into your account with your username (email address) and password, if you already have an account, or as a guest.

You should take care to protect your password and not disclose it to anyone because you are personally responsible for each purchase made with your username and password.

After selecting and adding the desired product to your basket, you can check the content of the order, choose the payment method, check and confirm the order.

After validation and payment of the order by you, you will receive an email acknowledging the order and giving an order reference number. However, this does not mean the order has been accepted. We are not obligated to accept any order and may, at our sole discretion, decline to accept the order.

2. DISPLAYED INFORMATION

We may modify the products, services, descriptions, prices and other information displayed on the Online Store at any time without prior notice.

We use reasonable efforts to ensure that products descriptions are accurate and complete. However, dimensions, colours, weights, measures and other descriptions are approximate and provided for

reference purposes only. We cannot warrant that products, services, prices or other specifications on the Online Store will be accurate, complete, and without error at all times.

We will fulfil the orders received from the Online Store subject to availability of the products. Should the ordered products not be available, we will notify you.

In some cases, a product may become unavailable after confirmation of the order and payment by you. In that case, we will notify you as soon as possible and provide options for resolution.

3. PRICES

All prices are expressed in US dollars. These prices do not, however, include shipping costs, handling charges or applicable taxes.

You are responsible for the payment of any taxes applicable to the sale and/or delivery of products. These taxes will be calculated and charged at the same time as the purchase price of the product.

Prices are firm at the time of placing the order subject to availability of the products. Should one or more taxes or levies, such as environmental contributions, be introduced, increased or reduced, this change may be reflected in the sale price of the products on the Online Store and in the sales documents.

We reserve the right to modify our prices at any time, but the price invoiced to you will be the price in force at the time of the validation of your order.

We will use reasonable efforts to verify prices of the products listed on the Online Store. However, where a product's correct price is less than the stated price online, we will charge you the lower amount. If a product's correct price is higher than the price stated online, our Customer Service department should contact you for instructions before shipping the product. If you are unreachable using contact details provided, the order will be treated as cancelled and we will notify you of such cancellation by email.

Online transactions are subject to validation checks by card issuers. We will not be responsible if your card issue declines to authorize payment for any reason.

12. DURATION:

These T&Cs shall apply for as long as the products are available on the Online Store.

13. APPLICABLE LAW AND COMPETENT JURISDICTION

The laws of the State of New Jersey, without regard to principles of conflict of laws, will govern these T&Cs and any dispute of any sort that might arise between us

13.1 Mandatory Binding Arbitration. Final and binding arbitration on an individual basis shall be the sole and exclusive forum and remedy for any and all disputes and claims that cannot be resolved informally and that relate in any way to or arise out of your purchase. The Federal Arbitration Act and federal arbitration law apply to arbitrations under these T&Cs.

Arbitration under these T&Cs shall be conducted by the American Arbitration Association (the "AAA"). For claims of less than or equal to \$75,000 (exclusive of attorney's fees, costs, and alleged punitive damages or penalties), the AAA's Consumer Arbitration Rules will apply; for claims over \$75,000, the AAA's Commercial Arbitration Rules will apply. The AAA rules are available at: <https://www.adr.org>.

Any Notice of Arbitration should be mailed to us at the following address:

Buchanan Ingersoll & Rooney PC

501 Grant Street, 5th Floor

Pittsburgh, PA 15219

Att: Wendelynne Newton

13.2 Class Action Waiver: TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ARBITRATION SHALL PROCEED SOLELY ON AN INDIVIDUAL BASIS WITHOUT THE RIGHT FOR ANY DISPUTES TO BE ARBITRATED ON A CLASS ACTION BASIS OR ON BASES INVOLVING CLAIMS BROUGHT IN A PURPORTED REPRESENTATIVE CAPACITY ON BEHALF OF OTHERS.

Disputes may not be joined or consolidated unless agreed to in writing by all parties. No arbitration award or decision will have any preclusive effect as to issues or claims in any dispute with anyone who is not a named party to the arbitration.

If this CLASS ACTION WAIVER is deemed unenforceable, then any putative class action may only proceed in a court of competent jurisdiction without a jury and not in arbitration.

13.3 Waiver of Rights, including to Trial by Jury. By agreeing to arbitration, the parties understand and agree that they are waiving their rights to maintain other available resolution processes, such as a court action or administrative proceeding, to settle their disputes. The rules in arbitration are different. There is no judge or jury, and review of an arbitrator's decision is very limited. WE BOTH FURTHER AGREE THAT, WHETHER A CLAIM WILL BE RESOLVED IN ARBITRATION OR IN COURT, THE PARTIES BOTH WAIVE ANY RIGHT TO A JURY TRIAL INVOLVING ANY CLAIMS OR DISPUTES.
